Quest 402 -

1/ An annual provision is included in the re-organization of the Ayurvedic and Unani College for deputation study charges. We may enquire of the Puzrai Commissioner as to what arrangements are proposed for giving effect to the orders in para 4 of the G.O. dated 1st August 1928 for giving opportunities to passed students of the Ayurvedic and Unani College to visit places where there are ~~xmx~~ eminent practitioners of the indigenous systems of medicine. The qualified teachers of the College who are likely to profit from deputation may also be allowed to go out and widen their professional knowledge. Whether it is not desirable to afford as a general arrangement the benefit of deputation study to the students of the College who show special aptitude for the profession and whose performance at the final examination is creditable, is a suggestion which may be considered by the Commissioner and the College Committee.
